## **PHYSICAL DEMANDS**

The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this job.

Reasonable accommodations will be made to enable individuals with disabilities to perform the essential functions.

While performing the duties of this job, the employee is frequently required to stand; sit; use hands to finger, handle or feel; and reach with hands or arms. The employee is occasionally required to walk; climb or balance; stoop, kneel, crouch, or crawl; talk or hear; and taste or smell. The employee must occasionally lift and/or move more than 60 pounds. Specific vision abilities required by this job include close vision, distance vision, color vision, peripheral vision, depth perception, and ability to adjust focus.

## **WORK ENVIRONMENT**

The work environment characteristics described here are representative of those an employee encounters while performing the essential functions of this job.

While performing the duties of this job, the employee is regularly exposed to outside weather conditions. The employee is frequently exposed to moving mechanical parts and vibration. The employee is occasionally exposed to wet and/or humid conditions and high, precarious places. The noise level in the work environment is usually loud.

## **OTHER REQUIREMENTS**

Employee is subject to a pre-employment drug screening, pre-employment work screening as well as a general physical. Employee is required to report time and request time off through the Time and Attendance Software located on the road shop time clock.

Must record time, material used, and other pertinent facts for the maintenance software system.

**Safety**

The Operator adheres to safety work practices. This includes wearing safety vests, seat belt, hard hats, proper job signage, and safe techniques. When using equipment such as weed trimmers and chain saws uses proper safety equipment such as hearing protection, chaps, and eye protection. Attends routine tailgate safety meetings and contributes whenever possible. Conducts safety inspections on all equipment assigned the incumbent or the District Operation.
