OFFICE OF THE LINN COUNTY ATTORNEY
JAMES BRUN, COUNTY ATTORNEY
Adult Diversion Program

GENERAL POLICY

1. The Diversion program is intended to give a “second chance” to offenders who commit a relatively minor criminal offense.
2. Diversion is a privilege and not a right. There is no guarantee Diversion will be granted in any given case. The needs of the offender are less important than those of public safety and the rights of the victim.
3. It is not required that a defendant have an attorney for the purpose of Diversion. However, a defendant has the right to employ an attorney and have him/her present throughout the Diversion application process.
4. **It is the responsibility of the defendant to read the Diversion policy in its entirety, prior to applying, to ensure they are eligible to make application and submit any required evaluations from a diversion approved provider with application.** Once an application for Diversion has been submitted, that fee is non-refundable. Additionally, if a defendant has pursued substantive motions, trial or a preliminary hearing, the application will be rejected.
5. A defendant is required to reimburse the court when represented by court appointed counsel. Additionally, if a defendant wants to participate in the Diversion program and must serve jail time, the defendant may be asked to sign a waiver of counsel form.
6. The County Attorney appoints a Diversion Coordinator to make all decisions regarding Diversion policy, to enforce such policies and determine Diversion eligibility including conditions of Diversion contracts. The County Attorney has the final authority to approve or deny any Diversion application for any lawful reason.
7. A defendant’s application for Diversion will be denied if not submitted within 60 days of the defendant’s first appearance.
8. **All DUI/BUI and drug cases require than an evaluation, from a Diversion approved provider, be completed and accompany an application for Diversion or the application will be denied.** Defendant is subject to monthly face to face monitoring and monitoring fees.
9. **All Domestic Violence offenses require a Domestic Violence Assessment, from a diversion approved provider, be completed and accompany the application for Diversion or the application will be denied.**
10. Defendant at the discretion of the Diversion Coordinator, may be required to attend a diversion conference prior to a decision for Diversion being made. In addition, Defendants may be required to report for face to face check-in appointments with the Diversion Coordinator during the term of diversion.
11. Defendant placed on Diversion may be required to submit to urinalysis testing at any time for illegal drugs or alcohol at defendant’s expense.
