

2021 Linn County Continuing Education Grant

Linn County Economic Development is offering 4 \$250.00 grants this year for continuing professional education.

This program is designed to benefit the Linn County Community. This grant can be used to help offset costs of continuing education classes necessary for maintaining a certificate in your profession. Individuals applying for this grant must have an income of less than \$40,000 per year. This grant is available for individuals who must pay out of pocket for continuing education credits who are not reimbursed by their employers. This grant is not intended for government agencies or companies.

The applicant must provide a paid receipt for the educational opportunity by Dec. 1, 2020 in order to get reimbursed.

If interested, please fill out the application and return to Jessica Hightower, Economic Development Director, at jhightower@linncountyks.com or 306 Main Street, Mound City, KS 66056.
