

Filing Your Personal Property

File Your Personal Property:

Kansas law (K.S.A. 79-306) states that every person who owns or holds tangible personal property subject to taxation must list that property with the County Appraiser of the county where such property is located on January 1st.

To avoid filing penalties, the Property Worksheet (Rendition) should be returned to the Linn County Appraiser's Office no later than March 15th each year. Penalties for failure to file will accrue 5% monthly up to 50%. These filing penalties can greatly affect your tax bill in November.

If you need to make changes to your personal property listing, please visit online at <https://www.linncountyks.com/departments/appraiser> to obtain a form, or you can contact the County Appraiser's Office by phone at 913-795-2536 to request a new form or if you have any questions regarding your reporting responsibilities. You may email your completed form to linncoappraiser@linncountyks.com. You can also visit us in person on the second floor at 315 Main St., Mound City, KS.
