

2023 Linn County Community Development Grant

Linn County Economic Development is offering 4 \$250.00 grants this year for community development.

This program is designed to benefit the Linn County Community. This grant can be used for a community project or event. This grant is not intended for government agencies or individuals. Funds may be used for expenses related to a fundraising event, but may not be used for fundraising directly, (ex. Silent auction items are not allowable expenses, marketing for the silent auction event is allowed).

This is a reimbursement grant. Receipts to be reimbursed must be within the current calendar year. Recipients will also be required to provide Linn County with a current W9, which will be kept confidential, for the purposes of setting the Recipient up as a County vendor. All receipts to be reimbursed must be turned in before Dec 1 of the current calendar year.

The project or event must be completed within 4 months of receiving the grant. Linn County Economic Development must be included in the sponsor list for the event.

Groups awarded this grant must complete the Community Development Program Final Report and return it to the Economic Development Director within 2 weeks of the completion of the project.
